

REMARKS

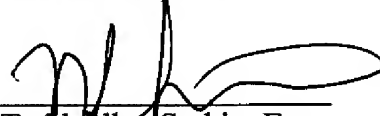

This application is submitted as a US National Phase Application of PCT Application No. PCT/IL2005/000135, filed on February 4, 2005.

The present amendments are based on the original claims submitted with the PCT application. The application contains 48 claims of which 13 claims are currently amended to remove multiple dependencies on multiple dependent claims so that the claims conform to proper US practice.

Applicants note that all the claims in the present amendment are indicated in the IPRP issued by the EPO acting as International Preliminary Examining Authority, as meeting the criteria of PCT Articles 33(2) - 33(4).

In view of the favorable IPRP, applicants submit that the application is in order for allowance. A notice to this effect is respectfully awaited.

Respectfully submitted,
Omer Einav, et al.
